

# 30" TIMEMASTER™

» For homeowners with big yards and busy schedules, Toro's NEW TimeMaster covers more ground in far less time. The sleek, lightweight body easily circles trees and shrubs. The TimeMaster is a mower that makes a big impact with a small footprint.

## » PRODUCTIVITY

Its wide, 30" mowing deck lets you handle large areas of grass quickly and easily.

## » QUALITY OF CUT

The Dual-Force cutting system and Toro® Atomic blades cut grass into a super, fine mulch for superior quality of cut and a healthy, rich lawn.

## » COMPACT STORAGE

The Quick Stow lever allows you to position the handle upright for easy compact storage.

**Count on it.**

## » DURABILITY

With its powerful Briggs & Stratton® overhead valve engine, durable cast-aluminum frame and heavy-duty steel deck, you can count on the TimeMaster to deliver the high performance and unmatched durability that Toro is known for.

## » PERSONAL PACE® SELF-PROPEL SYSTEM

This intuitive technology automatically adjusts the mower's pace to your walking speed. For more challenging areas with uneven terrain, the **"TRACTION-ASSIST" HANDLE** can help monitor your speed, and keep you mowing at a comfortable pace.

## » BLADE STOP SYSTEM

Lets you start it once, then keep it running. Now you have the freedom to step away from the mower to move an obstacle or empty the grass bag without having to restart every time.

## » QUICK STOW LEVER

The TimeMaster has two storage positions for easy compact storage and convenient handle height positions to insure a comfortable mowing experience for any operator.

## » 2 POINT HEIGHT-OF-CUT

You can easily adjust the deck height at 2 points instead of the hassle of walking around the mower to adjust 4 different levers.

## » WASHOUT PORT

Attach a hose to the mower deck to easily clean the under side of the deck.

## » WARRANTY

The TimeMaster also delivers peace of mind, thanks to a 3-Year Full product warranty and a Guaranteed-to-Start Engine warranty.
