

**Strength: "You asked us to make it stronger - We took it all the way to ripped!"**

- PowerShield* - Safeguards electrical & power systems, deflects ground debris, channels water away
- Non-Corrosive, Bonded Seats* - Won't rot, wrinkle, or slip
- DuPont™ Surlyn Reflections® Body* - Color molded into body so there's not clear coat or paint to worry about
- 360° Bumper* - Fewer scratches, less collision damage, additional protection of your investment
- AlumiCore Chassis* - Double the torsional rigidity and built in debris protections for wiring, brakes & pedal group

**Intelligence: "You asked us to make maintenance more intelligent - We took it all the way to Brilliant!"**

- IQDM* - Hand-held diagnostic tool - fast hassle-free way to keep fleet operating at peak capacity and profitability
- Access Panel* - Relocated for easy maintenance and tamper-resistant governors
- 4-Battery, 48V Power Plant* - More efficient to run and less costly to maintain
- 40% Fewer Parts* - Less maintenance and even greater reliability
- Front Suspension* - Two simple lubrication points and maintenance-free, sealed bearings
- Pedal Group and Brakes* - Pre-set, sealed, and adjustment-free

**Agility: "You asked us to make it more agile - We took it all the way to Olympian!"**

- Lighter Weight* - Improves handling, climbing, accelerating and even braking
- SportDrive™* - Creates an invigorating, sports-car-like driving experience with nimble acceleration
- AlumiCore™ Chassis* - Add to the enhanced stability, ride and performance of the car
- IQ System* - Re-engineered, regenerative braking control is incredibly smooth, with no hesitation
- Industry Tightest Clearance Circle* - Superior maneuverability in storage areas and handling on the course

**Comfort - "You asked us to make it more comfortable - We took it all the way to Cozy!"**

- Monsoon Top* - Industry's first canopy with built-in drain spouts. Rain is automatically channeled to the ground
- Internal Canopy Handle* - Longer, provides more hand position options, increases comfort and security
- Redesigned Bagwell* - Center divider, textured surfaces keep bags from slipping, drainage holes keep bags dry
- Ergo Seat* - Larger, taller, and more erect support for proper posture and driving positions
- Space* - Widest steering-wheel-to-armrest means it's easier for driver to enter and exit
- FlexiDrink™* - Fits all types of drink containers and can bend without breaking
- Best-in-Class Storage* - Large dash compartment, deep sweater basket
