

*Century Equipment is excited to announce that we now offer shopping online for our customers!*

*REGISTRATION IS EASY!*

Just visit us at [www.centuryequip.com](http://www.centuryequip.com) and click on the Shop Online button.

Click the Register button  and answer a few questions.

Once your registration has been approved you will receive an email letting you know your account is ready to go.

In the meantime, after you've submitted your registration request you can download a Web Demo power point presentation highlighting some of our online features from shopping, checking availability, pricing, open account status, quick order entry, express order entry and much more.

*Just look for this Icon at the bottom of our shopping page.*
