

# AERA-vator®

## UNIVERSAL UA-60 & UA-80

Model UA60

The UA60 has a 60" swath for midsize jobs. It's great for aerating an outfield and the same machine can be used to breakup, condition, and brush an infield.

Totally  
Re-Designed!

AVAILABLE  
AT

Model UA80

The UA80 has a 80" swath for the LARGER jobs. It's great for golf courses, athletic fields, and larger landscapes.
