

# Greensmaster Flex 21

A revolutionary way to get better looking, better playing greens.

The Toro® Greensmaster® Flex 21 is designed to perform on any green, even the most severely undulated putting surfaces. The Flex 21 virtually eliminates the fear of scalping, allowing you to cut lower than you ever dared before.

- Innovative design and constant bedknife attitude allows a remarkable 1/16" height of cut.
- New single-lever, dual-function control makes it easy to engage the traction and reel drive with a twist of the wrist.
- No grease zerks, plus multi-lip seals and a new gear box keep grease off the green and set new standards in ease of maintenance.
